

Save big money by extending the life of your commercial carpeting with a custom-designed carpet appearance management program. Our programs combine regular hot water extraction cleaning with intermittent low-moisture encapsulation cleaning.

It makes sense that extending the life of your carpeting will save you money — but how much money?

In the chart below, Company A and Company B have both purchased new carpets to cover 100,000 square feet of floor space. Let's take a look at Company B's cost-savings over a 14-year period from using a Cambridge Carpet Cleaning carpet appearance management program:

COMPANY A	COMPANY B
<p>7 years with neither proper cleaning nor a professional carpet cleaning maintenance program</p> <p>Cost: \$0</p>	<p>7 years of Cambridge Carpet Cleaning carpet appearance management program</p> <p>Cost: \$91,000 (\$13,000/year)</p>
<p>After 7 more years, carpet is worn out and needs to be replaced</p> <p>Replacement Cost: \$1,500,000 (includes cost of workstation relocations, old carpet removal and new carpet installation)</p>	<p>After 7 more years of Cambridge Carpet Cleaning carpet appearance management program</p> <p>Cost: \$91,000 (\$13,000/yr) No need to replace carpet – it is still looking great!</p> <p>Replacement Cost: \$0</p>
<p>TOTAL COST: \$1,500,000</p>	<p>TOTAL COST: \$182,000</p>

TOTAL SAVINGS FOR COMPANY B = \$1,318,000 or \$94,142.86 per year!

That's almost \$100,000 saved a year to use on other projects!
